Dear Members, Neighbors and Friends,

I hope this finds you well! Our park is looking great and the City seems busier than ever! We have been taking care of NHA Business, cleaning up the park, and organizing events that might be of interest. A few that I want to point out are in the planning stage:

Coming Soon: A friendly, informative back stage tour of the Masonic Center! Learn some of the history of this SF landmark. Find out about the logistics of holding large events what goes into planning around hosting concerts, conventions, parties and lectures. See the "green room" and other dressing rooms for entertainers. Enjoy a snack and learn little known stories from "behind the scenes."

Also coming soon: Visit your neighborhood Firehouse, Station 41. Meet your fire fighters and learn how they prepare to keep us safe and protected. This is a child friendly event and families are encouraged to bring little ones of all ages!

Remember the 3 Tenors? Well, imagine 4 (youngish) Tenors in 2016! Mark your calendars for **Nov. 13, the Il Divo Concert at the Masonic**. They are four beautiful singers that are amazing. It promises to be a great evening, with a possibility of an NHA gathering included before the show. We are working on this. Please let us know if you are interested. Check them out here: [Il Divo](#). And tickets for purchase here: [Il Divo Tickets](#) Get tickets soon if you are interested--they are going up in price as supply goes down. I just got mine.

Those interested in NERT, we are still working to get that organized. The list is growing. Messages are in to the SFFD that we are ready. We are waiting to hear back. Let us know if you would like to be added and we will keep you posted. All the best to you and thanks for your messages of support! **Barbara Mount**

Tom Klein Headed for Canyon Ranch

Fairmont Regional Vice President and longtime NHA Member and supporter, Tom Klein, is leaving San Francisco and we are going to miss him!

Tom is moving on to focus his efforts on Canyon Ranch and is excited about this new project as the next phase of his career.

Tom's impact on our community is immeasurable—from his fundraising for charities, to the tone of welcome he established at the Fairmont, to his amazing and genius addition of the Gingerbread House at the Holidays.

We thank you, Tom for your amazing generosity and support for the NHA, for Nob Hill and for San Francisco over these past many years. We won't forget years!

Tea at the University Club

NHA Members joined with University Club Members for a wonderful Afternoon Tea on March 22nd. Hosted by Mary Ann Collier and Helene Ettelson, the Tea was a great success and a wonderful opportunity to meet new people, make friends and to enjoy delicious sandwiches and sweets. We enjoyed lots of good conversation and laughter. Our thanks go out to Mary Ann and Helene and the University Club for a lovely afternoon..and for sending us home with left overs!
